

# ACCESSIBILITY STATEMENT FOR THE SOUTH TYROLEAN APPLE WEBSITE

The **Consortium South Tyrolean Apple** is committed to making its website accessible in accordance with Italian Law 4 of January 9, 2004.

This accessibility statement applies to the website <http://www.southtyroleanapple.com/>.

## Conformity status

### Partially compliant

This website is **partially compliant** with the requirements of Annex A of the UNI CEI EN 301549 standard due to the non-compliances listed below.

**Accessibility percentage: 85%**

### Non-accessible content

The following content is not accessible for the following reason:

#### a) **Non-compliance with Italian Law 4 of January 9, 2004**

- Some interactive elements are not fully keyboard-navigable, leading to potential issues with focus management in certain situations.
- The semantic structure of some sections is not fully interpretable by assistive technologies, limiting content comprehension for blind users.
- Some integrated third-party components do not fully comply with accessibility requirements and cannot be directly modified by the site provider.
- Some modal windows do not automatically receive focus when opened, compromising accessibility for users relying on screen readers or keyboard navigation.

The **Consortium South Tyrolean Apple** is committed to taking the necessary actions to resolve the identified issues and make the website fully accessible. These actions are planned and will be implemented progressively.

To report cases of non-compliance or request information and content excluded from the scope of the accessibility directive, you can send an email to [info@suedtirolerapfel.com](mailto:info@suedtirolerapfel.com).

### Reporting to AgID

If the response is unsatisfactory or no response is received within thirty days of the notification or request, the concerned party may file a report using the method indicated on AgID's official website.

## **Drafting of the Accessibility Statement**

This statement was drafted on **28.05.2025**.

The information contained in this statement was derived from an evaluation carried out by third parties.
